The faculty will present the latest research on treatment modalities for hematologic malignancies—leukemias, lymphomas, and myeloma—along with case studies for these diagnoses.

The program takes place on Saturday, June 16th, at the Sacramento Hyatt Regency, 1209 L Street; (916) 443-1234. Registration and continental breakfast will be available at 8:30AM; presentations begin at 9AM. The program will conclude by 12Noon.

ANCO acknowledges the support of AMGEN, Janssen Oncology, Jazz Pharmaceuticals, Novartis Oncology, and Seattle Genetics in making this program possible.

This is the first in a series of three Updates taking place in Sacramento, Palo Alto (on September 15th), and San Francisco (on November 17th).

FAX your reservation(s) to José Luis González, ANCO Executive Director, at (415) 472-3961 no later than June 8th.

Attendance is limited to the first 50 health care professionals.

I/We will attend the ANCO’s Hematologic Malignancies Updates (Sacramento; please print clearly):
