

ASSOCIATION OF
NORTHERN CALIFORNIA ONCOLOGISTS

is pleased to host an educational meeting for hematologists/oncologists and nurses entitled

HEMATOLOGIC MALIGNANCIES UPDATES

with

Charalambos Andreadis, M.D.

*Associate Professor of Clinical Medicine
University of California, San Francisco*

Bruno Medeiros, M.D.

*Associate Professor of Medicine, Stanford University
Director, Stanford Hospital Hematology Inpatient Service*

&

Brian Jeffrey Sworder, M.D., Ph.D.

*Clinical Fellow
Stanford University*

The faculty will present the latest research on treatment modalities for hematologic malignancies—leukemias and lymphomas.

The program takes place on **Saturday, September 9th**, at the **Stanford Park Hotel**, 200 El Camino Real, Menlo Park. Registration and continental breakfast will be available at 8:30AM; presentations begin at 9AM. The program will conclude by 12Noon. Go to <http://stanfordparkhotel.com/destination/getting-here/> for directions.

ANCO acknowledges the support of *Janssen Biotech, Merck, Pfizer Oncology, and Pharmacyclics* in making this program possible.

This is the second in a series of three Updates taking place in Sacramento, Menlo Park, and San Francisco (on November 4th).

FAX your reservation(s) to José Luis González, *ANCO Executive Director*, at (415) 472-3961 no later than September 1st.

Attendance is limited to the first 50 health care professionals.

I/We will attend the ANCO's *Hematologic Malignancies Updates* (Menlo Park; please print clearly):
