

ASSOCIATION OF
NORTHERN CALIFORNIA ONCOLOGISTS

is pleased to sponsor two talks for oncologists entitled

NEW TARGETED AGENTS FOR KIDNEY CANCER

with

David R. Minor, M.D. & Sandy Srinivas, M.D.

Medical Director

California Kidney Cancer Center

Assistant Clinical Professor

University of California, San Francisco

Assistant Professor of Medicine

Stanford University

ABSTRACT

Two new agents, sorafenib and sunitinib, have recently been approved by the *United States Food and Drug Administration* for use in metastatic kidney cancer.

Dr. Srinivas will discuss sorafenib and the upcoming ECOG adjuvant trial.

Dr. Minor will discuss sunitinib as well as the implications of the new agents for patient selection for high-dose IL-2.

These talks are scheduled for:

6:30PM Dinner • 7:00PM Lecture

Tuesday, June 20th

Presidio Golf Club

8 Presidio Terrace

San Francisco • (415) 221-8833

www.presidiogolfclub.com
