The all new 2004 California Physician's Legal Handbook at over 4,000 pages is even more comprehensive than prior editions and extensively indexed by subject, law, website, form and court case. Available in 6 volume print or CD-ROM versions! This handbook answers the legal questions most frequently asked by physicians. It includes practical summaries of California and federal laws as well as sample forms and letters, and the actual text of the laws of greatest interest to physicians.

This edition includes extensive information on the HIPAA Privacy Rule's impact on California physicians, including "HIPAA ACT SMART", a HIPAA Privacy Rule compliance plan tailored specifically for California physicians following the format of CMA's ACT SMART fraud and abuse compliance plan. It also incorporates the significant relief for physicians reflected in the AB 1455 regulations and the Aetna and CIGNA RICO Settlements.

The CD-ROM offers all of the content of the print version, plus many enhancements:

- Fully *searchable* content
- *Hyperlinks* that let you navigate within the CD-ROM and onto the Web
- *Interactive forms & sample letters* you can customize easily with your own word processing program
