

ASSOCIATION OF NORTHERN CALIFORNIA ONCOLOGISTS

*is pleased to sponsor three talks for oncologists, oncology nurses,
and oncology practice managers entitled*

Medicare Reimbursement for Oncology 2008

Roberta Buell, MBA

Managing Partner, Sausalito Healthcare Partners

Medicare's Part B to MAC Transition

Gordon Hedrick, MHSA

Field Reimbursement Manager, AstraZeneca Cancer Support Network

Learn the latest information impacting Medicare's reimbursement for oncology in 2008. Buell will provide a complete update of changes for 2008—coding, PQRI, ESAs, and strategies for the future.

Hedrick will summarize CMS's contracting reform, identify types of local contractors and the services they manage, and review implementation timelines and key issues for oncology practices.

Roberta Buell, MBA, is an accomplished health care regulatory and reimbursement expert. Gordon Hedrick, MHSA, delivers comprehensive reimbursement field support for a wide variety of complex oncology therapies.

Support for these meetings is being sought from *AstraZeneca, Genomic Health, Novartis Oncology, Onmark/OTN, OSI Pharmaceuticals, and Pharmion*; supporters will be announced at the meetings.
